

Good evening Northview!

Thank you parents and guardians for supporting your students through a successful first week of school. Also, thank you for your patience with morning traffic. Each day it gets better and better. Please remember to pull down to the furthest point that NVW staff directs you to go. Your student should not be dropped off until your car reaches the unloading yellow lined zone. After your student gets out of the car, please pull as far left as possible to exit the parking lot.
